

YOU NEED TO SAVE THE USR!!!

(THE UNITED STATES OF RIVERFIELD)

President Baldermann has declared a national emergency. The evil tyrant, Sloug Dultz, dictator of the Schultzoplagus Island has been creating weapons of math destruction and must be destroyed. Since you are weapons experts, President Baldermann is in dire need of your expertise. He has approved the use of the experimental yet powerful Hard-Core bombs. The HC has a blast radius of five miles, which will destroy any weapon of math destruction that evil tyrant Dultz might have. President Baldermann does not know where the weapons are located, so the entire island must be bombed. The safety of the United States of Riverfield is in your hands!!
